MANNISTER is the fellow who will shake you up, fascinate you. hold you enthralled, make you feel sorry when you come to part from him. He's a big man, brave, bold, ingenious, powerful-Eight men and a woman conspire to rob him of his wife and ruin him. But he has his revenge, and one after the other he takes the eight conspirators and with savage cunning and delight smashes them to the earth and grinds them under his heel. It's a wonderful story. Read it in full in "THE LONG ARM OF MAN-NISTER," by E. Phillips Oppenheim, a new serial The Evening World will begin publishing next Monday.

The city was represented in court when the case was called before Justice Marean, but the counsel for the moving picture man was not on hand. Later, it is asserted, the lawyer in question and his clerk appeared and submitted an order to the court which Justice Marean signed. This order required the Mayor to grant the license.

Such an act, taking advantage of the court, is declared to be a misdemeanor. It remains for the Court to either administer a judicial dressing down, impose a penalty—or do both.
